

DWA_03.5 Knowledge Check_DWA3.2

1. User story(ies) in Gherkin syntax for the "+" button.

Given I am a user

When I click on the + button

Then the number should increment by 1

Given I am a user

When I click on the + button

And the number is 10

Then the number should not increment because the + button is disabled

2. User story(ies) in Gherkin syntax for the "-" button.

Given I am a user

When I click on the - button

Then the number should decrement by 1

Given I am a user

When I click on the - button

And the number is -10

Then the number should not decrement because the - button is disabled
